

Taking a Quiz with Respondus

To take a quiz that is enabled with Respondus, students must download the Respondus LockDown Browser software before the exam.

Download Respondus LockDown Browser:

1. Log into Canvas and locate the desired quiz.
2. Click “Take the Quiz”
3. Canvas will prompt the student to launch the LockDown Browser application. If LockDown Browser is not installed, click “Download Respondus LockDown Browser.”

Respondus LockDown Browser Required

This quiz requires Respondus LockDown Browser. Please launch Respondus LockDown Browser to take this quiz or view your quiz results.

If you have not already installed the browser, please download it from here: [\[Download Respondus LockDown Browser\]](#) ↗

4. The Respondus will detect your OS and click ‘Install Now’ to download the software.
