1. Welcome and Introduction of New Members

- a. Introduction of new members was made
 - CPP will report back with an additional board member

2. Project and Personnel Changes

- a. No Pre-Calc will be flipped, curriculum very difficult

3. Budget Overview

- Award is the same amount, just reworked
 - Pre-Calc amount is moved over to additional Faculty
- CPP – Short year one
- Emily requested that Laura send out an email update concerning the budget

4. Year One Activities

- Summer Workshop went well.
 - Issues were resolved
 - Still questions concerning year 3 Calc Study
 - Questions still concerning resources available
 - SJSU - Implementation going well
 1. Physics still a little rocky
 2. Tim Hsu will have data soon
 3. Webinar went very well, very helpful
- FLC – Online interactions started

5. Recruiting Faculty for Training to FLIP

- Ideas on how to recruit faculty – discussed
- One day of training is sufficient
- \$250 - stipend is for completing training
- Do not have to be in preselected disciplines
- Optimal time to recruit is mid Spring and on
- Modified training based on the course, campuses may customize
- Larger classes need to be targeted
- Calc 1 review is in creation (Yr. 3) – nothing set yet
- Data Collection
 - Qualitative Data – WestEd
 - Dash Board – Student Success

- Core Faculty will lead training
 - All materials will be available

6. Other Discussions

- CPP – surveys will go out Mid October
- No need for IRB
- Faculty will self-assess
