

FITW Campus Lead Meeting – Minutes

Meeting Information

Date: January 26, 2018

Time: 10:00am – 11:00am

Location: Admin 167

Attendees: Andy Feinstein, Patricia Backer, Laura Sullivan-Green, Alison Baski, Joseph Rencis, Ron Yeung, Jane Dong, Shandy Hauk, Alma Ramirez, Ann Baldwin, Tyler Stannard

Agenda

I. Personnel Update

- a. Introduction of new Program Coordinator, Tyler Stannard

II. Calculus Study Update (Shandy Hauk)

Shandy gave an update of the Calculus study. The dashboard will be up and running by next week (1/29 – 2/2) and all the calculus faculty, flipped coordinators, and leadership will have access to the dashboard.

III. Subcontracts for Year 3

- The CPP budget for year 3 needs to be revised to remove non-approved activities.
- SJSU did not received the CSULA budget for Year 3
- WestEd—Shandy will work with SJSU Foundation to finalize the Year 3 funding.

IV. Summer Mini-Grants

Pat and Laura revised the Mini-Grant Application Applications and forms will be sent out February 5 and submissions will be due March 1.

V. Summer 2018 Training Workshops

- Faculty Learning Coordinators will meet next week to determine workshop dates for Summer 2018. Application for FITW Summer 2018 Workshop will be online and flyers will be sent out to all three campuses. The FLCs and Leads will disperse the flyers.
- Laura suggested we could possibly add a note that applicants that do this are eligible for a mini-grant the following summer.

VI. Future Conferences

- 3rd Annual Higher Education Flipped Learning Conference, could be quite useful on a national level to understand the flipped method of teaching.
- Pacific AAAS meeting will be hosted at CPP. CPP has a session for the conference titled “Multi-disciplinary experience in flipping quantitation courses”. Would like more involvement for the conference from SJSU and CSULA. Both SJSU and CSULA confirmed interest.
- WASC ARC Conference wants FITW to do a workshop. Laura will invite the FLC coordinators to WASC to participate.
- In 2019, CSULA will host the ASEE PSW (American Society of Engineering in Education Pacific Southwest) Conference. Should have a session dedicated to the FITW grant.
- IEEE (Institute of Electrical and Electronics Engineers, Inc.) Frontiers in Education Conference in 2019 will be held in San Jose. She will submit a proposal for this conference.

VII. Advisory Board Meeting Update

Final Date picked: March 6, 2 – 3pm.

Ron Yeung was added on to the board representing CPP.

VIII. Campus Status Reports

Now that fall terms is over, Laura needs all grades from all courses that participated in the flipped curriculum to compare flipped vs non-flipped sections.

SJSU--Flipping is going well, and moving forward with online flipped courses and gather more to be involved in flipped classes.

CPP – Updated on flipped classes:

- Robin Wilson did not teach a flipped course for Math so no data is available.
- Homeyra Sadaghiani did not teach in winter.
- Mohammad Husain has sent an abstract about his flipping, called the Waterfall model, to the CSU symposium in mid-April.

CSULA updates on flipped classes:

- End of year celebration for Faculty in February to discuss their flipped experiences.
- Standard meeting time and finalized a monthly meeting for faculty to have time together. Sylvia sent class evaluations to all faculty who taught flipped classrooms.

WestEd

- WestEd plans on distributing an end of spring term online survey for students in the flipped classes.

Anything for next meeting is to be sent to Tyler.
