This special event is brought to you by the Global Leadership Advancement Center at San Jose State University's College of Business and our generous sponsor Brocade.

"Our mission is to advance the field of global leadership and disseminate best practices to help students, managers and organizations function more effectively in today's international work settings."

Dr. Mark E. Mendenhall

holds the J. Burton Frierson Chair of Excellence in Business Leadership in the College of Business, University of Tennessee, Chattanooga. He is past president of the International Management

Division of the Academy of Management and the author of numerous journal articles and books on global leadership and IHRM. He is also a senior partner in The Kozai Group Inc., a consultancy that develops global talent.

Dr. Joyce Osland

is the Lucas Endowed Professor of Global Leadership and Executive Director of the innovative Global Leadership Advancement Center (GLAC) at San Jose State University. She is a prolific

scholar who specializes in global leadership development. Dr. Osland has received numerous awards for teaching, research and career achievement. She is a consultant and trainer for global companies and a senior partner in the Kozai Group.

Nancy Long

has a global responsibility for Hitachi Data Systems core Human Resources functions. Prior to Hitachi, Long was a senior vice president at O'Conner Hospital leading Human Resources. She

holds a Master's degree in Human resources and Organization Development from the University of San Francisco. She also serves on the faculty of the SJSU College of Business.
