LAB 3: ETHICS

The requirement for this lab is to complete the "CITI" version of the SJSU IRB Training requirements

The SJSU Institutional Review Board (Human Subjects) is at:

<http://www.sjsu.edu/gradstudies/irb/>

When (if) you submit something to the SJSU HS-IRB you follow these procedures:

http://www.sjsu.edu/gradstudies/docs/irb_procedures.pdf

Follow this link to the CITI (Collaborative Institutional Training Initiative) and complete the online training. It will take about one to two hours.

After you have completed the training, print off a copy of the "GRADEBOOK" showing your passing score. This printout is due to me by Wednesday, June 12th, 2014. Do NOT leave it to the last minute.
