Due Diligence in Serving Small Business Clients

Circular 230 - <http://www.irs.gov/pub/irs-pdf/pcir230.pdf>.

Hiring Correctly and Avoiding Payroll, Non-tax Legal, and Classification Problems

Businesses with Employees

<http://www.irs.gov/Businesses/Small-Businesses-&-Self-Employed/Businesses-with-Employees>

When as a small business owner you have employees, this link provides you all the record keeping and filing you are required to do for your employees.

Employer ID Numbers

<http://www.irs.gov/Businesses/Small-Businesses-&-Self-Employed/Employer-ID-Numbers-EINs>

An Employer Identification Number (EIN) is also known as a Federal Tax Identification Number, and is used to identify a business entity. Generally, businesses need an EIN. You may

apply for an EIN in various ways. This link provides you all the information on EIN and how to apply for it.

Independent Contractor (Self-Employed) or Employee

<http://www.irs.gov/Businesses/Small-Businesses-&-Self-Employed/Independent-Contractor-Self-Employed-or-Employee>

Small business owners must withhold income taxes, withhold and pay Social Security and Medicare taxes, and pay unemployment tax on wages paid to an employee. They do not generally have to withhold or pay any taxes on payments to independent contractors. For this purpose it is critical that business owners correctly determine whether the individuals providing services are employees or independent contractors. This link provides all information on difference between employee and contractor.

Professor Nellen's Worker Classification Website

http://www.21stcenturytaxation.com/Worker_Classification.html

Includes links to IRS and EDD and other government information on distinguishing employees from contractors and compliance considerations.
